

ROUTE 67 & THE SLINKY BUS

To all R67 Passengers

As there is no set date as yet for the return of this service I wanted to remind you that the slinky service is available for you to use. By utilising this service it has enabled us to maintain the social distancing by being able to limit the amount of people on at any one time. Having predetermined booking slots also means we can sanitize the hand rails etc in between uses. Your safety is our priority. If required, this bus can help with a door to door service. The slinky offers a 50% concession for those card holders and isn't much more for fare payers.

Slinky is not currently governed by areas more by demand.

If you wish to discuss the availability or book please call
01749 880482 9.30am – 2pm

Our booking times are slightly decreased due to reduced office workers. Other information can be found on our website www.mendipcommunitytransport.co.uk
